Peninsula Family Service - San Mateo, CA

TEACHERS! TEACHERS! TEACHERS!

Why Peninsula Family Service? Our communities are strongest when opportunity, financial stability and wellness are secured for all. We provide evidence-based support and tools to help: • Vulnerable children reach their dreams • Struggling older adults thrive • Hard-working families break the cycle of poverty Our early learning programs prepare children for kindergarten and work with families to provide a stable learning environment for their children. Our older adult programs promote wellness, active life styles, and social connections. Our financial empowerment programs help improve financial knowledge, build credit, develop assets, and lead to financial stability. We are headquartered in San Mateo and also have programs and sites in Santa Clara, Santa Cruz, and San Benito counties through which we assist about 12,000 people per year. Our annual operating budget is \$11.6 million, and our funding is broken down by about 77 percent in federal, state, and local contracts, 18 percent from individual, foundation, and corporate fundraising, 3.5 percent in client fees, and 1.5 percent from a small endowment and other income.
