

ARE YOU AN EXPERIENCED EARLY CHILDHOOD EDUCATOR?

WOULD YOU LIKE TO ASSIST IN FOUNDING A HOME-BASED EARLY
EDUCATION PROGRAM FOR INFANTS AND TODDLERS?

All Five is an early childhood education program designed to eliminate the opportunity gap. We are looking for a teacher with experience and knowledge in working with infants and toddlers. This teacher would be the licensee and head teacher of our home-based program. It is a full-time, salaried position that requires an Associate's or Bachelor's degree, and specific training in the PITC – Program for Infant and Toddler Care - model.

Candidates must have demonstrated initiative in developing learning activities for infants and toddlers. They should have a passion for early childhood education, a calm and flexible temperament, and the ability to work in an environment where other adults and young people will be assisting in the program. Experience and knowledge of working with a diverse community of families is a plus. Bilingual in Spanish and English preferred. Master level teacher permit or higher, required.

This teacher will earn a competitive salary that includes health benefits. She or he will participate in the creation of All Five's unique culture and professional development program. We celebrate our work with stories and using sensitive conversation to work through inevitable tensions. We believe we learn as much from our children and their families as they learn from us.
