

Making the Most of Classroom Interactions

Making the Most of Classroom Interactions is a two parts interactive Pre-K CLASS course for ECE educators.

Providers and teachers who participate in the CLASS workshops will:

- ◆ Learn to identify and describe effective interactions in care settings
- ◆ Discuss ways to interact intentionally to increase children's learning
- ◆ Gain access to valuable print and video resources aligned with the CLASS measure

**Participation in both courses is highly recommended!
Knowledge of CLASS measures is a plus, but not a requirement**
